## **Your Health Idaho: Family Glitch Solutions & More**

*Please join us for an informative discussion on solutions to help family members  
of your employees affected by the Affordable Care Act Family Glitch.*

November's meeting presenter is Pat Kelly, Executive Director at Your Health Idaho

**Pat Kelly** joined Your Health Idaho at its inception as the Director of Finance and was appointed Executive Director in 2014. As Executive Director, Pat oversees the organization's strategic planning and development. Under his leadership, Your Health Idaho has been recognized as one of the nation's leading insurance exchanges for achieving the highest per capita enrollment rates while maintaining the lowest operating costs of any exchange. Prior to joining Your Health Idaho, Pat spent more than 20 years in the telecommunications and manufacturing industries where he gained valuable experience in both executive leadership and strategic planning. Pat is the vice chair of the Bogus Basin Recreational Association Board of Directors and formerly served as president of the board of directors for the Bogus Basin Ski Education Foundation. Pat is a Boise native and local small business founder.
